### Commodores Comments

Well Last Weekend I had Fun - Got to win a race by default - - With winds in the high teens and gusts well in twenties, and only Karusha as my crew I furled up the gib to follow Raising Damp to the ramp, When that little voice said "you know under main only you can do this" I was out there and the course was laid so what the heck! KJ held on, we saw fish through the window and came off the water with a smile on my face!

This weekend I will be in the Bar in Thurs from 6 if any of you early birds want to join me.  
Fri We have Pot luck dinner followed by social. Saturday Short Course Racing..... this year we are after real short courses.... Dinner and social again. Sunday two races Back to back.

I hope to see a a few visiting boats sailing around for the weekend.

As of this weekend Light meals will be available at the bar. As part of the requirement for our bar licence we are upgrading what food we offer.

Looking forward to seeing you all over there

### Facebook and Website!!

We are slowly but surely updating both the website and Facebook. But we need some regular material to put on it, if you have photos or similar please send them through to me.

Better yet if you like to post on facebook we would love two or three people to help maintain and update our facebook page, if this is you please contact Matt to set you up so you can post directly as PBBC.

Thanks you.

### What's Been Going On

Hello Everyone

Sailing November 4<sup>th</sup> and 5<sup>th</sup> was a big disappointment only 2 boats "All Hours" and "Rising damp". The wind was gusting up to 29 knots . Rising damp was on the water for about 15 minutes and All hours did one small triangle on main sail only. Sunday was no better .Never mind was a nice weekend.

Thank you to all our helpers Wayne and Grant Radford Rescue boat and Wayne Nolan and Yvonne Radford in the start box.

SHOW WEEKEND – this weekend 17<sup>th</sup> 18<sup>th</sup> 19<sup>th</sup> Nov. Praying to the weather gods is probably a good plan this week. It will be a great weekend with the lovely NAVAL POINT sailors running our races on Saturday .

Socializing at the club is a really nice way to end a super sailing day so look forward to seeing you all up at the club for a drink and natter after racing.

Thank You for just being you!!

### Matt's Meteorological Musings

All the weather Gods all agree this week..... One Great Big Slow.... no Non Moving High over the country all week brings fine weather and light breezes to The Bay.... Sunday may see an influence of a low pressure system over the North Is that might see breezes at The Bay rise to the 20's!!
