Committee Comments

WOW I'm loving this club! Big thank you to everyone who helped make last weekend the success it was, the best weekend sailing I've had in a long time!! I can't remember the last time I saw people talking with such enthusiasm about their exploits on the water! Short Course Racing is here to stay. Might have to do some more during the Family Regatta at New Years?

Start of race one Friday before the wind picked up.

What's Been Going On

Big Thank you to Ross May for making the journey to the Bay on Friday to train a group of us in the finer arts of rescue boat driving.

This weekend we Welcome the Zephyr and Sunburst fleets for their South Is Champs, although we will be short one or two boats Club racing is still on so lets enjoy another weekend with our visitors.

Christmas Dinner in the Club Saturday night \$20 pp for a scrummy dinner!!

Saturday's Short Course Boat Start, Not all of the boats are in the shot

Hello Everyone

What a fabulous Show weekend. Sailing was great nice big wind Friday and lots of boats. Saturday was such fun with 18 boats and Sunday few less boats but no less fun.

Saturday our lovely Naval Point friends ran a series of 5 short course races. Brilliant fun had by 18 boats how's that for a turn out ! A few went home Saturday but I believe Sunday was just as great. THANK YOU Phil and Colin for your time it was great and to Paddy and Kirsty for driving the Naval Point rescue boat all the way to Pigeon Bay and for running our races they ran like clockwork.

A VERY LARGE THANK YOU to Wayne Nolan for being our Start Box Star Friday and Sunday AND Gus Liddle ,Charles Dickey James Holborow and Rob Spyker for rescue boat stars and making it possible for as many of our sailors to be on the water, it really is much appreciated.

either
Thanks Naval Point

More from the Committee

Thank you to those of you who have paid your subs early remember due by 30th of the month. And to our supporters we really appreciate your contribution it keeps the club afloat.

Also in the new year we our club visit to Lake Mahinapua time to start thinking and talking about the trip. We are thinking perhaps we might do the tree tops walk on the Monday afterwards.....although it might test my fear of heights. Any questions suggestion or thoughts about the weekend I would love to hear from you.

Matt's Meteorological Musings

**OK here we go again.....
Sunshine!!
That's all I'm going to say.**

Light winds probably.... but where from? Or will a sea breeze build early enough to give us a moderate Northerly?

Duty Crew

Saturday: A DRIVER PLEASE and Maree and Grant Radford and Bailey Switalla-Andrews

Sunday: Wayne Radford and Maree and James Holborow and Bailey Switalla-Andrews

As you can see I need a start boat rep for both days and a rescue boat driver for Saturday.

We have Zephyrs and Sunbursts holding regattas at our club this weekend and club racing what a busy time we will have.

The racing will be run from the water Alison Rutherford is the race officer. I have a request for ONE VOLUNTEER to be the PPBC rep. on the start boat PRETTY PLEASE.
